Commissioner for Patents

The timely submission filed on 4-24-2002 is not fully responsive to the prior Office action because any change to the patented claims needs to be underlined, whether the change is newly made in the current amendment or made in an earlier amendment during the reissue proceedings. Any claim that was not in the patent needs to be fully underlined in every amendment in the reissue. See 37 CFR 1.173 (d) and (g). Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action.
